

# Why Select An EAANA Appraiser?

## Education, Experience, Professionalism!

The Equipment Appraisers Association of North America was incorporated in Pennsylvania, May 18, 1990. All 15 charter members were involved in the construction and mining industries as was the focus of our organization until 1995 when membership was extended to all disciplines of machinery and equipment. EAANA is now international with over (150) members

*Why is one opinion more reliable than another? Why can you rely on EAANA members? What type of appraisal will withstand courtroom scrutiny? You will find your answers with an EAANA appraiser!*
