

CSA Re-accreditation

2019

Re-accredit every five (5) years to retain CSA designation.

Submit a redacted EAANA and USPAP compliant current Appraisal Report, in an electronic pdf version for review.

The applicant must be the individual most responsible for the preparation/content of the report submitted, with redaction of all names and business entities required

Seventy (70) hours of credit are required to re-accredit every five years.

Hours must include successful completion of either the current 7-hour update or the 15-hour USPAP Personal Property course. Hours may be cumulative over a five (5) year period and credit will be given for professional development areas such as attending appraisal meetings, workshops, publishing, teaching, and organizational leadership.
